During the year sixty complaints against officers were investigated by the Board. The nature of complaints and disposition of cases is shown by Table VI.

There were twenty-seven suits pending against members of the department at the close of 1891. Twelve new suits have been brought and fifteen suits have been disposed of, leaving twenty-four now pending. The city has not been asked to pay any money during the past year by reason of judgments recovered against police officers. All these cases have been defended by Mr. Isaac F. Paul, counsel for the department, and Mr. Paul has also prosecuted sixty-five criminal cases in the different courts, two-thirds of which were gambling or policy prosecutions.

The value of property taken from prisoners and lodgers was \$56,601.50.

Three hundred and fourteen witnesses were detained at station houses, and 3,185 persons were accommodated with lodgings, an increase of 62.49 per cent. over last year. There was an increase of about 8.2 per cent. over last year in the number of insane persons taken in charge, an increase of about 14.8 per cent. in the number of sick and injured persons assisted, and an increase of about 4.8 per cent. in the number of lost children cared for.

The average amount of property reported stolen in the city for the decade ending 1889 was \$95,113.08; in 1892 it was \$94,449.40, or \$663.68 less than the average. In the same period the average amount of property stolen in and out of the city which was recovered by the Boston police was \$115,960.73; the amount recovered in 1892 was \$239,200.21, or \$123,239.48 more than the average.

The average amount of fines imposed by courts was \$94,597.16; in 1892 it was \$80,665.52, or \$13,931.64 less than the average. The bureau has issued the prison reports of 240 discharged convicts, containing the full records, descriptions, distinguishing marks, etc., of 119 convicts who were discharged during the year, and whose records were considered of sufficient importance to preserve.

The "Gallery of Photographs of Persons Unidentified" has increased in volume and has demonstrated its usefulness by enabling friends in many cases to identify the bodies at a later period and remove them to their family burial places. The gallery now contains the photographs of 5 males and 1 female as yet unidentified.

The accidents include 96 deaths by railroad accident, 72 of which occurred within the city limits, and 24 outside of the city, but were brought to our hospitals, where death resulted. Of these, 13 deaths were by electric car accident, 1 by horse car accident, and 7 by elevator accident.

An important decision was rendered by the supreme court affecting the right of the Board of Police to license hackney carriages. The rule of the board relating to such vehicles provides that "Every vehicle used, or to be used, for the conveyance of persons for hire from place to place within said city, except a horse-car, shall be deemed a hackney carriage within the meaning of these rules," and further, that "No person shall set up and use or have charge of any hackney carriage, unless he is licensed thereto by the Board of Police." It was contended by certain owners of carriages that the term "hackney carriage" was confined to a public carriage having a stand in the public streets, and did not apply to a carriage which stood in or was hired from the stable of its owner, and, therefore, the owners of such vehicles refused to take out licenses or to comply with other conditions of the rule relating to hackney carriages. A test case was therefore made, in which the defendants were found guilty in the municipal and superior courts of letting an unlicensed carriage for hire, and the case was carried up to the supreme court on exceptions. The judgment of the lower court was affirmed, the supreme court holding that the rule which requires hackney carriages to be licensed is applicable to carriages which carry passengers from place to place in the city and that it is a reasonable regulation.

(See Table XIII.)

The number of sick and injured persons who receive assistance at the several station houses is increasing every year. From 1887 to 1891, inclusive, 10,229 persons have been assisted, as follows: 1887, 1,673; 1888, 1,895; 1889, 1,977; 1890, 2,090; 1891, 2,594.

SALE OF INTOXICATING LIQUOR.

The total number of places licensed for the sale of intoxicating liquor on the first day of May, 1892 (not including druggists and clubs), was 896, being one to every 500 of the population, based on the census of 1890. Of these, 680 are licensed to sell to be drunk on the premises, or one to every 658 of the population.

During the year the licenses of thirteen places were surrendered and cancelled, but new licenses were issued in their places.

The following gives the number of licensed places Nov. 30, 1892:—

First Innholder "A,"	49
First Innholder "B,"	8
First Victualler,	597
Second Victualler,	26
Fourth Distiller,	3
Fourth Wholesale Dealer "B,"	75
Fourth Grocer,	89

There were 275 druggist and 43 special club licenses issued. Of these, six druggist licenses were cancelled.

Number of complaints for violation of conditions of licenses made to Board of Police,	26
Number of hearings given,	26
Number of places where licenses were forfeited (licenses of 1891),	1
Number of druggist licenses forfeited (licenses of 1891),	3
Number of complaints for violation of conditions of licenses made in court,	16
Arrests for selling without a license,	401
Seizures made,	1,633
Amount of liquors seized (gallons),	6,003
Number of applications for licenses rejected,	229

The following shows the nature of the complaints upon which licenses were forfeited by the Board of Police from Dec. 1, 1891, to Nov. 30, 1892:—

Selling to be drunk on premises, in violation of license,	1
Selling liquor without certificate,	3

Amount paid into the city treasury for license fees, \$1,058,146.

Arrests for drunkenness averaged 92 per day during the year, or 7.5 per cent. of the population.* There were 6,302 more persons arrested than in 1891, an increase of 23 per cent.; 40.89 per cent. of the arrested persons were non-residents, and 52.76 per cent. were of foreign birth. Five hundred and thirty-four persons were arrested for violation of the liquor law, 78 less than in 1891, and of these 65 per cent. were of foreign birth.

* Four hundred and forty-eight thousand.

Twenty-four thousand eight hundred and forty-one persons were released from station houses, under the provisions of chapter 427, Acts of 1891.

FINANCIAL.

Requisitions were made on the city council for the sum of \$1,246,826.52, to meet the running expenses of the department, including the pensioned police officers, house of detention and station-house matrons, for the present financial year.

The total expenditures for police purposes during the past year, including the pensions, house of detention, station-house matrons and liquor-license expenses, but exclusive of the cost of the police-signal system, were \$1,172,186.64. From this should be deducted the amount received for uniform cloth, etc., and paid into the treasury, \$8,785.09, —leaving the net cost for maintaining the department, \$1,163,401.55.

The total revenue paid into the city treasury from fees for licenses over which the police have supervision was \$1,093,548.22. (See Table XIV.)

The cost of maintaining the police-signal system during the year was \$53,440.97. (See Table XV.)

PENSIONS AND BENEFITS.

On the 1st of December, 1891, there were eighty-one pensioners on the roll. During the year ten died and two were added, viz., one sergeant and one patrolman, leaving seventy-three on the roll at date. A list of pensioners will be found in Table XVI.

The pensions now amount to \$31,881.04 per annum.

No retirements have yet been made under the act passed by the last Legislature, which provided for the retirement of all men over sixty-five years of age and all men unfitted for duty by reason of physical disability, upon half pay. The Board has certified for retirement thirty-six men, but the certificates have not yet been approved by his honor the mayor.

The invested fund of the Police Charitable Fund on the 30th of November, 1892, amounted to \$207,550; cash in treasury, \$2,385.78; income unexpended, \$2,385.78. There were fifty-five beneficiaries.

The invested fund of the Police Relief Association now amounts to \$50,608.52. The payments for the year amounted to \$18,794.10.

POLICE SIGNAL SYSTEM.

There are now in use eleven wagons, eight pungs and twenty-six horses in the patrol service, and one wagon and three horses in the repair department. Five spare patrol wagons are kept in reserve.

During the year the wagons made 32,719 runs, covering an aggregate distance of 23,740 miles. Thirty-four thousand and one prisoners were conveyed to the station houses; 1,044 injured and insane persons were taken to station houses, the hospitals or their homes; and 533 lost children were taken to station houses. There were 454 runs to fires, and 366 runs for liquor seizures.

There were 160,825 telephone messages and 2,337,471 "on duty" calls sent over the lines. (See Table XVII.)

The trouble experienced from electric wires carrying high-tension current constantly increases and taxes the resources of the electrical department to protect the signal apparatus and keep the telephone lines in working order. Ten of the fifty-eight circuits have been equipped with metallic telephone service during the year, and the work will have to be carried on until the entire service is thus equipped. The ordinary telephone service, which is under the control of the New England Telephone Company, is also very much impaired. It became necessary for the department to build an independent line to maintain connection with the station house in Brighton, and in a short time the other station houses will have to be connected with headquarters in the same manner. This will, of course, involve a heavy expense to the city, but is absolutely necessary in order to maintain the efficiency of the service.

BUILDINGS.

The new station house in Division 14 (Brighton) is nearly completed, and will probably be ready for occupancy early in the year.

Extensive improvements have been made in Station House 4; the office has been enlarged, new heating apparatus put in, dormitories fitted up and the building put in first-class condition.

An addition is being built to Station House 13, which will contain a wagon-house and stable and a court room for the district court.
